Dear Sir;

As requested, we are pleased to quote the following prices for solid mahogany Frames for Medals.,

For Frame size-24"X24", same as Mr. A. A. Wienman's, with moulding on outer edge and incised carved moulding band on outer edge of Medal, finished, mounted and delivered for the sum of Twenty-seven-dollars-\$27.00.

Regarding the two smaller Frames which you requested a price on, will say that same requires the same amount of work as the above, being but a few inches smaller which is taken up in waste, consequently we will have to quote the same as the above, namely, Twenty-seven-dollars-\$27.00.

The above prices are based on single orders. We will quote the sum of Sixty-three-dollars-\$63.00, if the three frames are ordered.

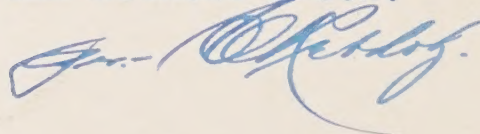

We would be glad to make a further reduction if ordered in larger quantities.

If plain Frames are desired, we would be able to furnish same of 3-ply stock, with veneered edges for the sum of Nine-dollars \$9.00 each if ordered singly, and at a reduction if ordered in quantities.

Trusting to have the pleasure of serving you, we are,

Very truly yours,

John Rebholz & Son.
